2016 World of Wheels Feb 19-21

What a weekend! Calgary's 50th Annual World of Wheels was a HUGE success - Calgary Stampede's **Quinn Smith #68** and **Brad Erdos #53** joined us on location at BMO Centre and so did **Brett Wilson** and **Jeff B. Wilkie** (aka Mr. Calgary). **Castrol Canada's Darin Guillet** and **Prestone's Wayne Jangula** were also on site and participated in the photo op. Thank you to everyone for taking our Prostate Cancer Awareness campaign to the next level.

Thanks also to 660 News for picking up our Press Release and sharing it on air and on their website:
